Dear Sirs:--

At this late date I wish to thank you for the suggestions offered me in yours of the 29th of December last.

I secured the Scott Coin Books from Mr. Rudolph Kohler and Coins of the Americas and Foreign Currency Guide from Gottag Bros.

I am today mailing my application for membership in the American Numismatic Society to the General Secretary, Harry T. Wilson, Chicago, and trust that I may soon rate myself as a member.

Again thankimg you for the information given me I remain.

Yours truly,

Jake Martin
